BEFORE THE DIRECTOR OF

THE ARIZONA DEPARTMENT OF HEALTH SERVICES

In the Matter of: Kind Meds, Inc.	)	Docket No.: 2025-ADU-T0051-MDHS NOTICE OF ASSESSMENT OF CIVIL MONETARY PENALTIES AND NOTICE OF RIGHT TO REQUEST ADMINISTRATIVE HEARING

I. JURISDICTION

The Arizona Department of Health Services ("Department") is charged by Arizona Revised Statutes ("A.R.S.") § 36-132(A)(1) with the power and duty to enforce the body of laws that protect the health of the people of the State of Arizona. In addition, A.R.S. § 36-136(G) authorizes the Director of the Department ("Director") to "make and amend rules necessary for the proper administration and enforcement of the laws relating to the public health."

The Smart and Safe Arizona Act ("SASAA"), A.R.S. § 36-2850 *et seq*., was passed in November 2020 and became effective in December 2020. Rules adopted by the Department to implement the SASAA, Arizona Administrative Code ("A.A.C") R9-18-101 *et seq*., became effective January 15, 2021, as thereafter amended ("Rules"). *See* A.R.S. § 36-2854 (giving the Department rulemaking authority under the SASAA).

Under A.R.S. § 36-2854(B)(3), the Department may, "[a]t any time during regular hours of operation, visit and inspect a marijuana establishment, marijuana testing facility or dual licensee to determine if it complies with [the SASAA] and [the Rules]." The Department "shall make at least one unannounced visit annually to each facility licensed pursuant to this chapter." *Id*.

The Department may assess a civil monetary penalty against a marijuana establishment in an amount not to exceed $2,000.00 for each violation of the SASAA or the Rules. A.R.S. §§ 36-2854(B)(2), -2858(B). "Each day a violation occurs constitutes a separate violation." A.R.S. § 36-2854(B)(2). In determining the amount of a civil monetary penalty, the Department considers: (1)

"[r]epeated violations of [the SASAA] or [the Rules]," (2) "[p]atterns of noncompliance," (3) "[t]he types of violations," (4) "[t]he severity of the violations," (5) "[t]he potential for and occurrences of actual harm," (6) "[t]hreats to health and safety," (7) "[t]he number of violations," (8) "[t]he number of persons affected by the violations," and (9) "[t]he length of time the violations have been occurring." A.R.S. §§ 36-2816(H), -2854(B)(2).

II. MARIJUANA ESTABLISHMENT LICENSE HISTORY

Kind Meds, Inc. ("Kind Meds") is licensed by the Department as a marijuana establishment under License No. 00000088ESUZ76069650 and is authorized to operate a retail location at 2152 S. Vineyard Street, Suite 120, Mesa, Arizona 85210 ("Establishment").

On July 9, 2024, the Department conducted an onsite inspection at the Establishment. On July 16, 2024, the Department issued a written statement of deficiencies ("SOD") setting forth the deficiencies and violations of the SASAA and the Rules that the Department observed during or in connection with the inspection. The SOD is attached hereto as Exhibit A, and the deficiencies and violations for which the Department is assessing civil monetary penalties are identified in the civil monetary penalty table attached hereto as Exhibit B, both of which are incorporated by reference.

III. REASONS FOR THE ASSESSMENT OF CIVIL MONETARY PENALTIES

As set forth in the SOD, Kind Meds violated requirements of the SASAA and the Rules related to testing. *See* A.R.S. § 36-2854(A)(5); A.A.C. R9-18-308(A)(2)(d), -308(A)(12), -309(A)(2), -311(A). Specifically, a marijuana establishment must ensure before offering marijuana or a marijuana product for sale that each batch of marijuana is tested for impurities and other potential health hazards in compliance with the SASAA and the Rules. A.A.C. R9-18-311(A). A marijuana establishment must develop and implement policies and procedures related to the testing of marijuana and marijuana products, and the establishment must make testing results available upon request before selling the products. A.A.C. R9-18-308(A)(2)(d), -309(A)(2), -311(A)(1). The establishment must maintain copies for at least twelve (12) months of any documentation required under the SASAA and the Rules, and the Establishment must provide the documentation to the Department upon request. A.A.C. R9-18-308(A)(12).

Kind Meds failed to ensure that before offering a marijuana product for sale, each batch

of marijuana was tested in compliance with the requirements in A.A.C. R9-18-408 and Table 3.1. *See* A.A.C. R9-18-311(A)(1). During the inspection, the Department requested complete testing records for the marijuana product identified as Dime 2g Mint OG (Batch No. MOGBL0405), which should have included the potency and microbial testing results for the final product (a vape product) as well as the complete testing results for the initial distillate batch (identified as WC3L Distillate). *See* A.A.C. R9-18-311(A)(2). At the time of the inspection, Kind Meds did not provide the complete testing results for the initial distillate batch, which should have included the testing results for pesticides, residual solvents, and heavy metals. Instead, Kind Meds provided a partial testing record with only the potency and microbial testing results for the final product. An employee of Kind Meds told the Department that this partial testing record was everything that Kind Meds had at the time of the inspection and that Kind Meds did not have additional testing records for the marijuana product identified as Dime 2g Mint OG (Batch No. MOGBL0405).

A review of sales records at the time of the inspection revealed that the product had been sold to twenty-five (25) consumers. Kind Meds failed to ensure before offering the product for sale that testing records were available upon request by consumers showing testing results in compliance with the requirements in A.A.C. R9-18-408 and Table 3.1. *See* A.A.C. R9-18-309(A)(2), -311(A). Kind Meds also failed to maintain copies for at least twelve (12) months of this required documentation and to provide the documentation to the Department upon request. A.A.C. R9-18-308(A)(12).

IV. FINDINGS, NOTICES, AND INSTRUCTIONS TO REQUEST A HEARING

YOU ARE HEREBY NOTIFIED that based on the foregoing and the nature of the violations identified in the SOD attached as Exhibit A and incorporated by reference, and pursuant to A.R.S. § 36-2854(B)(2), the Department hereby assesses a civil monetary penalty against Kind Meds in the amount of $1,000.00 for failure to comply with the SASAA and the Rules, as set forth in the civil monetary penalty table attached as Exhibit B and incorporated by reference. The civil monetary penalties assessed in this Notice of Assessment of Civil Monetary Penalties ("Notice") are limited to the violations identified in the SOD. The assessment of additional civil money penalties for additional or continued violations of the SASAA or the Rules is a separate matter

outside the scope of this Notice and may be sought at a later date.

YOU ARE ADVISED that you have the right to request a hearing before the Arizona Office of Administrative Hearings and to have an Administrative Law Judge review this Notice. A.R.S. § 41-1092.03(B). You may request a hearing by submitting a written request to the Clerk of the Department, Arizona Department of Health Services, 150 North 18th Avenue, Suite 200, Phoenix, AZ 85007 **within thirty (30) calendar days** after this Notice is received. *Id*. If you submit a timely request for a hearing, you will be given an opportunity at the hearing to respond to this Notice and to present evidence and argument on all relevant issues. A.R.S. § 41-1092.07(D). You have the right to be represented by counsel or to proceed without counsel. A.R.S. § 41-1092.07(B).

IF YOU TIMELY REQUEST A HEARING, YOU ALSO MAY REQUEST that the Department hold an informal settlement conference by submitting a written request to the Department **no later than twenty (20) calendar days** before the hearing scheduled in the matter. *See* A.R.S. § 41-1092.06(A). Such a request shall be sent to Kim Crawford, Bureau Chief, Bureau of Marijuana Licensing, Arizona Department of Health Services, 150 N. 18th Ave., Suite 330, Phoenix, Arizona 85007.

IF YOU DO NOT TIMELY REQUEST A HEARING following receipt of this Notice, the assessment of civil monetary penalties in the amount of $1,000.00 **will be automatically effective immediately upon the expiration of the thirty (30) day period following receipt of this Notice**, and the Department's assessment of civil monetary penalties in the amount of $1,000.00 will not be subject to administrative or judicial review. A.R.S. §§ 12-902(B), 41-1092.08(H).

DATED this 27th day of September, 2024.

ARIZONA DEPARTMENT OF HEALTH SERVICES

McKenna Baker
Director's Designee

ORIGINAL filed this 27th day of September, 2024,
with:

Clerk of the Department

Inspection Details

Facility Name	Kind Meds Inc
Inspection #	INSP-0045767
Inspection Date(s)	07/09/2024
Status	Enforcement
Address	2152 S Vineyard St Ste 120, Mesa, AZ 85210

Statement of Deficiencies

A Plan of Correction (POC) must be submitted for each deficiency cited.

Initial Comments:

Item Description	Evidence
A.A.C. R9-18-311(A)(1) A. Before offering a batch of marijuana or of a marijuana product for sale or otherwise transferring marijuana or a marijuana product to a consumer, a marijuana establishment shall ensure that: 1. Except as provided in subsection (A)(2) or (3), each batch of marijuana is tested in compliance with requirements in R9-18-408 and Table 3.1;	A documentation review revealed that the establishment failed to ensure that Dime 2g Mint OG, batch MOGBL0405, was tested in compliance with requirements in R9-18-408 and Table 3.1 before being offered for sale. The product did not have testing for pesticides, residual solvents, and heavy metals. In an interview, Facility Agent (FA)1 reported that the testing that was provided was all of the testing for Dime 2g Mint OG that they had. A documentation review of sales records revealed the product was sold to twenty-five consumers.

Technical Assistance

In addition to the citation of deficiencies, Bureau Compliance Officers offered the following technical assistance and guidance to the facility.

ARIZONA DEPARTMENT OF HEALTH SERVICES' WARNING:
Marijuana use can be addictive and can impair an individual's ability to drive a motor vehicle or operate heavy machinery. Marijuana smoke contains carcinogens and can lead to an increased risk for cancer, tachycardia, hypertension, heart attack, and lung infection. Marijuana use may affect the health of a pregnant woman and the unborn child. Using marijuana during pregnancy could cause birth defects or other health issues to your unborn child.
KEEP OUT OF REACH OF CHILDREN.

The product associated with the COA has been tested by Apollo Labs using validated state certified testing methodologies as required by Arizona state law. Values reported herein relate only to the specific sample of product submitted by Client for testing. Apollo Labs makes no claims as to the efficacy, safety or other risks associated with any detected or non-detected levels of any compounds reported herein. This Certificate shall not be reproduced except in full, without the written approval of Apollo Labs.
