CONSENT AGREEMENT

The Arizona Department of Health Services (the "Department") and Yavapai Herbal Services, Inc. ("Yavapai Herbal") agree as follows:

Jurisdiction

The Department is charged by statute with the authority to protect the health of the people of Arizona and to issue or direct the issuance of licenses and permits required by law. A.R.S. § 36-132(A)(1) & (18). Under A.R.S. § 36-136(G), the Director of the Department is authorized to "make and amend rules necessary for the proper administration and enforcement of the laws relating to the public health."

The Smart and Safe Arizona Act, A.R.S. §§ 36-2850 through -2865 ("SASAA"), authorizes the Department to license marijuana establishments for the cultivation, processing, manufacture, transport, and sale of marijuana and marijuana products. A.R.S. §§ 36-2850(21), -2854. SASAA also authorizes the Department to adopt rules related to the licensing and regulation of marijuana establishments. A.R.S. § 36-2854. The Department's rules to implement SASAA are codified in A.A.C. §§ R9-18-101 through -415 (the "Rules"), and the Rules related to the licensing and regulation of marijuana establishments are set forth in A.A.C. §§ R9-18-301 through -316.

The Department may inspect a marijuana establishment during its regular hours of operation "to determine if it complies with [SASAA] and [the Rules]." A.R.S. § 36-2854(B)(3). The Department "shall make at least one unannounced visit annually to each facility licensed pursuant to [SASAA]." *Id*.

If the Department determines during an inspection that a marijuana establishment is not in compliance with SASAA or the Rules, the Department will issue a statement of deficiencies and, where appropriate, provide an opportunity for remediation and corrective action. A.R.S. § 41-1009. The Department also may take enforcement action, including revoking or suspending the marijuana establishment's license or assessing civil monetary penalties of up to $2,000 per violation. A.R.S. § 36-2854(B); A.A.C. § R9-18-316(C)(3). "Each day a violation occurs constitutes a separate violation." A.R.S. § 36-2854(B)(2).

NOW THEREFORE, in consideration of the foregoing, and the terms, covenants, and conditions set forth herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. The Parties acknowledge and agree that the Recitals set forth above are material terms and conditions of this Agreement. However, by executing this Agreement, Yavapai Herbal does not admit the truth of any factual findings or conclusions alleged by the Department in the SOD or the Notice of Intent to Revoke.

2. Yavapai Herbal acknowledges the jurisdiction of the Department and its Director under SASAA and the Rules and in connection with the marijuana establishment licensing matters concerned herein.

3. Yavapai Herbal hereby waives all rights to an administrative hearing or judicial review of any matter arising out of or relating to the SOD or the Notice of Intent to Revoke. Yavapai Herbal authorizes counsel for the Department to file a notice of settlement and motion to vacate the Hearing.

4. The Parties enter into this Agreement without trial or adjudication of any issue of fact or law and without admission or finding of any violations of any law. This Agreement is not, and shall not be construed as, an admission by Yavapai Herbal of any liability or wrongdoing.

5. Yavapai Herbal shall, at all times, remain in compliance with SASAA and the Rules.

6. within twenty-one (21) days of the original due date. Yavapai Herbal will be in material breach of this Agreement if it fails pay the Settlement Amount within twenty-one (21) days of the due date, and in such event the Department may elect to take further enforcement action against Yavapai Herbal, including reinstating the Notice of Intent to Revoke or denying future applications to renew the License.

Yavapai Herbal will implement and remain in compliance with the plan of correction, and any supplement thereto, as approved by the Department. Yavapai Herbal will be in default under this Agreement if it fails to implement and comply with the plan of correction and any supplement thereto, as approved by the Department, and in such event the Department may elect to take further enforcement action against Yavapai Herbal, including reinstating the Notice of Intent to Revoke.

8. If Yavapai Herbal complies with its obligations under this Agreement by timely paying the Settlement Amount and implementing and complying with the plan of correction and any supplement thereto, as approved by the Department, then the Department's findings of deficiencies and violations alleged in the SOD, the Notice of Intent to Revoke, and all evidence gathered or received in connection therewith (the "Prior Evidence") shall not be used as independent bases for any future enforcement action by the Department against Yavapai Herbal. However, the Prior Evidence may be considered and used if the Department determines in its reasonable and good faith discretion that the Prior Evidence represents or is evidence of a pattern of non-compliance or ongoing, systemic, or institutional deficiencies when considered in connection with any new deficiencies or violations identified during the Department's licensing and regulation of Yavapai Herbal's License. Yavapai Herbal reserves and maintains the right to contest any such actions and to contest any factual findings and conclusions alleged by the Department.

9. In any case, the Department may only use the Prior Evidence, including use of the Prior Evidence to show a repeat deficiency or violation, in any enforcement action commenced within two (2) years of the Effective Date.

12. The Parties acknowledge and agree that a mutual and fair exchange of consideration has been made in connection with this Agreement.

13. This Agreement may be modified only in a written document signed by both Parties. No waiver of any requirement herein is effective unless made in writing. A waiver of any requirement herein shall not be deemed a waiver of any other provision.
